my Dearest

Datum 22nd February 1942

Again in this week I have received one more of your "old" letters (2.11). Some weeks ago I have got already an letter writing (30.11). Your thoughts about Kili's transfer to Petah - I have during this winter because your work - was a unexpected surprise to me. - Such thing is not in my spirit! It is enough, that we had like some years in a kibbutz. - If I had been at home, I was an opponent to it; but now being so far, the decision belong to you... Every one does - as he understand... I don't understand why a education in Tel Aviv is so incommensurate - I know, that it were a pleasure to me to pursue myself with K. also after a portion of a work. I remember myself
