

Moi Kochan,

1. April

Primo Aprilis,

Had none to play a joke on,
the only funny thing here - went busload
of "fat" ladies arrived. After riding
forever those bicycles, dieting, walking
very fast along Baltic shore & being
hypnotized - they leave after 16 days
as big as they came (180 - almost 300 Pounds)
& we walked early morning to a
quiet village Tupado - earth prepared
for potatoes & chickens walking around
free. Andrew hired 2 men to clean
the garden, the house - is busy & happy.
For dollars everything is so cheap &
the best (Waldorf Astoria type) dinner
was \$7 for both of us with wine, coffee.

Gdynia is a big port city & Gdansk
also - they have many foreign tra-
vellers. For \$2 one can eat everywhere
For \$100 one can really live like a king
= 1000000 zloty (a fortune).

I send a package from here with
clothes I do not need any more - got an
answer already they are delighted we will
visit soon Krakow together with Will.

Television has only 2 channels, no
advertising. I enjoy their documentaries -
saw all about Israel, Russian Steppes
"Kubaki" & Alaska - very well done.
Women are attractive, bright & well
dressed working very hard - men
mostly pale, apathetic - no spark.
The bright eyes travel & buy, sell. No one
can be found easily to do menial
work they like it "fast & easy."

at our dinner table are Oba, 4 y. old
with Fether, to be in healthy air for a few
weeks. Mother is a business woman &
calls her every day. I do her ponytail!?

The other girl Ogata^{mis} with Grand-
mother - she has asthma since birth
& cannot breath in Krakow where they
live. Likes meatless dishes, but no one
makes it for her - she just does not
eat, only bread & jam and soup.
Made for me a book mark (enclosed).
Ask someone to translate!

We play tennis w. Andrew almost
every morning - no net! The season
starts in June. While we were
traveling from Poznan to Gdynia
Andrew lost all his clothes & now

both tennis rackets - we bought
2 new ones from the pro in Sopot.
It shows how little one needs - he has
only one pair of pants, 3 shirts (my bag)
1 sweater, jacket & coat.

I miss talking to all of you, but
we'll make up for it in May. It takes
5-6 hours to get through to US.

Tali & Aniri - learn other lan-
guages - enlarge your life & talk
to people, live like the natives, why
be isolated.

Can't wait to embrace
you & report on this adventure,
probably my last big trip.

With much love

Mother & Gaddo
