Dear Sir

I hope this letter will serve to introduce (Miss) Lisa Tura to you. I wonder if there is a post available for this young student in your Showrooms. Lisa is an Austrian Refugee - has been sent to me by the Jewish Children's Movement. She is a very talented young pianist, & is hoping to gain a Scholarship to the R.A.M. She has studied with me for 18 months & has just gained a Distinction in the Final Grade (Ass. Bd). At the moment she is working on some heavy mechanism, which is straining the ligaments of her hand. Both the doctor, &

to get some more ^{of the} confederal work, which
would enable her to carry on with
her model.

She is hard working, sincere,
very conscientious & has a pleasing
personality. I do trust you
can find a place for her.

Yours faithfully,

Mabel Lloyd
