Re: Hermann Neumann

Breslau

Dear Mr. Mittelmann:

We have received a letter from our office abroad informing us that your relative, the above, must leave Europe at once. He has the possibility of going to a country overseas and requires about \$800 to cover expenses and landing money.

The situation in Europe is well known to you, and we therefore urge you and your friends to do your utmost to help him.

Please let us know at your very earliest what you expect to do in the matter, so that we may report to our European office.

Very sincerely yours,

Isaac L. Asofsky
