Dear sir,

This is to acknowledge the receipt of your letter of the 8th of June a.c. with regard to Mrs. Charas-Kühl.

In the meantime I have got a letter from the Jewish Agency for Palestine, Jerusalem, of the 29th of May a.c. telling me that they will do their best in order to arrange the matter if ^{the} relatives in Palestine will be able to submit the necessary application to the Government.

I shall be glad if I could be helpful in any case you may be interested in.

Yours sincerely
