

Zionists deplore Lord Moyne killing

The Los Angeles Council for all along, only that tiny, irresponsible gang reacted to the British policy of curtailing Jewish rights in a terrorist manner which is condemned by the Jews throughout the world.”

Zionist affairs, made up of all Zionist organizations in the city, yesterday joined Zionist groups throughout the country in condemning the assassination of Lord Moyne.

Pointing out that the terrorist elements in Palestine constitute only an infinitesimally small minority, the council's statement concluded:

“Whereas the overwhelming majority of the people in the Jewish homeland practiced self restraint
