TO WHOM IT MAY CONCERN.

Mrs. G r e t e S I N A I, 171/18, Muirhead Road, Shanghai, China, has been in our employment since February 21th, 1946, till June 30th, 1946.

She held the position of our chief manageress and was in charge of control of our complete staff. She filled this post to our greatest satisfaction, and she is leaving us, because of her intention to go to Australia.

We thank Mrs. Sinai for her services, and we are happy that we can recommend her to anybody who is in need of an honest and reliable person.
