

RACE SCIENCE

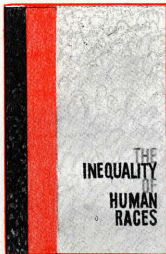

Pearson, Roger: **Blood Groups and Race** 1.25

Races are now identifiable by their distinctive blood group patterns, and this book is important because it explains how the racial analysis of populations has been simplified in recent years by the development of Blood Group classification techniques.

Pearson, Roger: **Eugenics and Race** . . . 1.00

If you accept the idea that individuals differ, then you must also understand that a race is nothing more nor less than a group of individuals who share similar characteristics, and that a race is pure or impure according to the degree of similarity of its members. Eugenics is intimately and irrevocably linked with race; this small booklet providing a complete outline guide to both subjects.

Gobineau, Count: **Inequality of the Human Races** . . . \$4.00

This classic work is now once again available after many decades. Gobineau was the pioneer of Race Science and this work is to Race Science what Darwin's work is to the study of Biology.

Pearson, Roger: **Race and Civilization** . . . 3.00

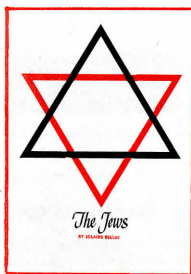

Amply illustrated with one hundred and fifty pictures and diagrams, this work follows the arguments of Professor Hans F. K. Günther's classic **Racial Elements of European Civilization**, and presents the structure of the White race, from the earliest period down to the present day.

OUR BOOK RECOMMENDATIONS

THE JEWISH QUESTION

Belloc, Hilaire: **The Jews**\$5.00

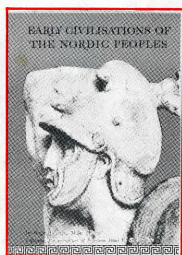

Possibly the most complete synthesis yet produced on the Jewish Question, comprising some 300 pages by one of this century's most famous authors.

Wagner, Richard: **Judaism in Music**1.50

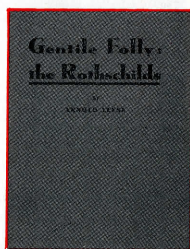

The great German composer Richard Wagner was one of the leading "anti-semites" of his day. This essay analyzes Jewish influence in Western Music, and details Jewish persecution of Wagner himself.

RACE HISTORY

Pearson, Roger: **Early Civilizations of the Nordic Race** 1.00

Too few people realize that the great civilizations of ancient India, Persia, Greece and Rome were the products of relatively pure Nordic or White people, and that the decay of these high cultures was due to a debasement of the Nordic blood which had created them.

Leese, Arnold: **Gentile Folly: The Rothschilds** 2.00

Out of print for a number of years, this illuminating history of the Rothschilds by one of the most knowledgeable authorities on the Jewish Question has recently been reprinted in a limited edition only. Don't miss this opportunity.
