

'THE SAVING OF THE BULGARIAN JEWS FROM PHYSICAL EXTERMINATION IS A UNIQUE FACT IN THE HISTORY OF THE SECOND WORLD WAR. BULGARIA, FORCIBLY RELATED WITH NAZI GERMANY, REMAINED THE ONLY*EUROPEAN COUNTRY WHERE THE NAZIS FAILED TO CARRY OUT THEIR BARBAROUS DESIGN FOR A "RADICAL SOLUTION OF THE JEWISH PROBLEM".'

*The Jews of Denmark were saved by the Danish underground, with the support of the Danish people by transporting them secretly to Sweden.

"The Jewish minority in Bulgaria gave devoted champion partizans - men and women who, side by side with their Bulgarian brothers, set out on the hard partizans' road for sacred struggle against German enslavers and their Bulgarian agents".
