

Dear T. & S.! Your letters from Honolulu dated Aug. 20/21 just been rec'd Sept. 22/21.

Wolfe accompanied me thro northern Italy Switzerland. I wouldn't have missed it even at the expense of N. He has manners of a 'Jew'. He is more tame now I assure you. It would take years to complete the job tho. Had a fine letter from Captain of Whelmina Bernolsen. They have a little girl now too.

Do you see where gold and silver has been found in Franklin New Hampshire?

lots to do. I lined up my results of buying - don't get much for money there either. <sup>What did you find in</sup> Houston N.O.?? <sup>five for</sup> mud.
