

# CO-EXISTENCE

Twenty-four years ago Dimetry A. Manuilsky, speaking at the Lenin School of Political Warfare in Moscow, said:

**“War to the hilt between Communism and Capitalism is inevitable. Today, of course, we are not strong enough to attack. Our time will come in 20 or 30 years. To win we shall need the element of surprise. The bourgeoisie will have to be put to sleep. So we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard of concessions. The Capitalistic countries, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be friends. As soon as their guard is down, we shall smash them with our clenched fists.”**

This is the same Manuilsky who presided over the United Nations Security Council in 1949.
