Dear Mother & Dad, France
 Good evening. Hope you are both well.
 I am fine. Saw a movie in camp
 tonight - "Janie." It was a very
 enjoyable show with lots of crazy
 teen age kids and exaggerated
 modern ideas.

This morning we arose to find a
 new snowfall had completely shrouded
 the buildings, vehicles, and landscape.
 The old snowfall was getting thin in
 spots again and then overnight the
 snow is 6 to 16 inches deep once more.

If you are making any cookies in
 the next few days, a box of them would
 taste pretty good to me - my appetite is
 still big. Lots of love. Write soon.

Your loving son,
 Clayton
