Dear Sir

In support of the enclosed affidavit, I would like to reiterate my desire to have said Babette Kaiser come to the United States as soon as possible.

I again promise, that I will support and care for her in every way, and that she shall never become a public charge. She is the sister of my late mother, and the ties between us have always been very close. I shall, therefore, be glad to take her into my own house, and give her as good a home as I possible can.

Your kind consideration of her case will be deeply appreciated.

Respectfully yours

*Louis Forchheimer*
