Dear Herr Wallbach,

I am glad to know that you are at last emigrating, but I am really very sorry that you are leaving us. Our relations with you during several years have been most pleasant; we have admired your devotion to your work for others and we are grateful for the unfailing, cheerful assistance you have given us in our Palestine immigration work. You take with you our best wishes for your future success. We even hope that we shall see you again in Berlin.

Yours sincerely,
