Missabo 1. Oct 40.

Dear Max, dear Erna!

It is so awfully long ago since I heard from you. But yesterday had a card from Shanghai - Felix told me that Walter had work and you not worse - I was afraid something had happened. I will try to write this to Margaret - though of course I don't know if it will reach her. I had a nice dear letter from Freds children through a cousin of poor Dad in Lausanne. Fred is in a dreadful anguish that he now will loose his situation. All news about him goes through this cousin. Through J. in Sh. I know about Ernas brothers in B. and U.S.A. My son Otto and his family are now in Goteburg, trying not to loose courage - which is more than difficult now. They lived more than 20 years in Denmark, where life was a pleasure before. Everything now is changed. May you keep courage and health - May I save things worth saving!
your old anxious friend B. Sandberg
