AMERICAN CONSULATE GENERAL
ANTWERP, BELGIUM

December 26, 1945

Miss Felicia Kohn,
16, rue de Cinq Coins,
Berchem, Antwerp.

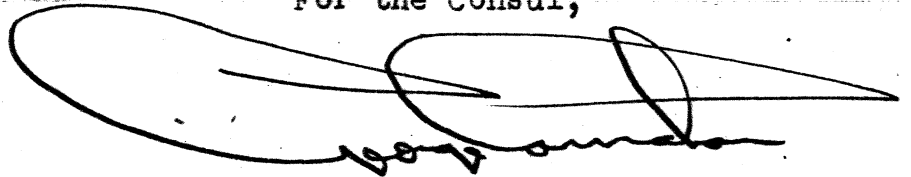

Madam,

The Consulate General is pleased to inform you that it has received the allotment of one non-preference number for your use during the current month.

Considering the short period during which this number may be used, it is of paramount importance that you call during the current week having in your possession two birth certificates, a valid travel document or passport, and three passport photographs, 6 cm. x.6 cm. taken with a white background on thin paper, front-view and without a hat.

Very truly yours,

For the Consul,

A large, stylized handwritten signature in black ink, appearing to read 'George Carnahan', written over a horizontal line.

George Carnahan
American Vice Consul
