Dear Lisa,

I should like to take this opportunity of thanking you on behalf of the Movement for your contribution towards the success of our "At Home" on Sunday last. It was indeed kind of you to step in at the last moment and we are grateful to you for this.

I am sure the applause of the audience showed you how much they enjoyed and appreciated your playing.

Thanking you again.

Yours sincerely,

(Mrs) D.H. Hardisty  
General Secretary.
