Dear Sir,

I acknowledge the receipt of your cable of the 12th inst. regarding Mrs. Charas-Kuehl, to which I replied by cable:

"your 12/5 certificates russian refugees yet unapproved as exit still not granted stop when arranged certificates be sent from jerusalem directly stop please inform age misses charas kuehl stop shall recommend accordingly"

In the meantime I have received your reply of the 14/5.a.c. regarding the age of Mrs. Charas-Kuehl and I have telegraphically recommended the case to the Jewish Agency for Palestine for approval.

As a matter of fact, the difficulties with regard to the immigration of Polish refugees stranded in U.S.S.R. into Palestine are not still waived, as the Soviet Authorities did not agree till now to grant the necessary exit permits. Anyhow, negotiations are being carried on with regard to obtaining the permission for the refugees to leave the territory of U.S.S.R. Should these endeavours be successful, I hope the case will be arranged satisfactorily.

Needless to say, dear Sir, how much I would be glad to comply with your recommendation.

Yours sincerely
