Dear Dr. Kuhl:

I hope that this will find you in good health. May I take this opportunity to introduce to you the bearer of this letter, Dr. Mordecai Hacohen, the Executive Director of Ozar Hatorah.

As I recall, when you were here, I mentioned to you the work that Ozar Hatorah is doing in the Middle East and North Africa providing a secular and Hebrew education to over 15,000 children, in addition to giving them food, clothing and medical attention.

In order to maintain and expand our facilities, we are now in the process of increasing our membership both in the United States and Canada. Dr. Hacohen is in your city for this purpose, and I should very much appreciate if you would help him in this task by enlisting as many of your friends as possible. Anything you can do will certainly be of great help to this worthy organization.

With many thanks, and kind personal regards, I am,

Cordially yours,

Isaac Shalom
