Dear Mr. and Mrs. Gliksman,

Today the Jewish Court of Honor received your files from the Juriditze Abteilung [Yiddish: Judicial department – U. M.], as well as your indictment. Therefore I will try to look into these documents as soon as I can. I shall inform you afterwards. I will soon invite you to see me to discuss your case. In ten days from the date when you received the indictment, the list of witnesses has to be submitted. In the event you receive the indictment prior to our meeting, please let me know and I will notify you by mail about the date of a meeting at my place.

My greetings

Yours sincerely,
