

78TH CONGRESS
1ST SESSION

H. CON. RES. 11

IN THE HOUSE OF REPRESENTATIVES

JANUARY 27, 1943

Mr. KLEIN submitted the following concurrent resolution; which was referred to the Committee on Foreign Affairs

CONCURRENT RESOLUTION

Whereas Reichsführer Hitler has declared his policy to be the total annihilation of the Jewish race in Europe; and

Whereas authentic reports have reached the people of the United States concerning the unspeakable atrocities committed by the German Reich against the defenseless Jewish communities in the German-occupied territories, especially in the so-called ghettos of occupied Poland; and

Whereas these murders of innocent men, women, and children are carried out without regard to the law of nations and all precepts of humanity; and

Whereas there is grave danger that this declared policy of the Reich, the total extermination of the Jewish community in Europe, may be carried out; and

Whereas it would shame the conscience of mankind to be silent in the face of such unheard of crimes; and

Whereas it is the sacred duty of the civilized world to protest against this inhuman, dastardly, and barbaric attack upon one of the great races of the world, and one of the oldest communities of Europe: Therefore be it

1 *Resolved by the House of Representatives (the Senate*
2 *concurring)*, That the Congress of the United States voice
3 its vehement protest and condemnation against these crimes,
4 and express the sympathy of the people of the United States
5 with these innocent victims of Nazi tyranny, and, further-
6 more, it calls upon the Government of the United States
7 to do all in its power, in consultation with the other United
8 Nations, to stay the hand of the Nazi tyrant from carrying
9 out these crimes, and extend to the sufferers every and all
10 aid possible.
