Sir:

The receipt is acknowledged of your letter of May 26, 1941, transmitting an affidavit of support with its accompanying documents executed by Louis Turner in connection with the immigration visa applications of your parents, Oskar and Katerina ABERBACH.

Owing to the present emergency it has been found necessary to suspend the issuance of all visas at this office. Consequently, further consideration of the visa cases referred to in your letter under acknowledgment must be deferred for an indeterminate period of time.

Very truly yours,
