

RUSSIA AND THE JEWS

The Revolution in Russia

THE PREPARATION . . . 1905—1917

M. Francois Coty, the celebrated scent manufacturer wrote in "Le Figaro" on 20th February 1932 : "The Subsidies granted to the Nihilists at this period (1905—1917) by Jacob Schiff of Kuhn Loeb & Co., New York, were no longer acts of isolated generosity. A veritable Russian Terrorist organisation had been set up at his expense. It covered Russia with its emissaries."

The Jewish Encyclopaedia states, that Jacob Schiff financed Japan in her war against Russia 1904—1905. This war was immediately followed by an attempt at revolution on a considerable scale in Russia.

On January 3rd, 1906, the Russian Foreign Minister supplied to Emperor Nicholas II. a Report (later revealed in "The American Hebrew" of July 13th, 1918) which contained the following:

"The events which took place in Russia in 1905 . . . plainly indicate that the revolutionary movement . . . has a definite international character . . . the Revolutionaries possess great quantities of arms imported from abroad and very considerable financial means . . . One is bound to conclude, that there are foreign capitalists organisations interested in supporting our revolutionary movement. If we add to the above that, as has been proved beyond any doubt, a very considerable part is played by Jews . . . as ringleaders in other organisations as well as their own . . . always the most bellicose element of the revolution . . . we may feel entitled to assume, that the above mentioned foreign support of the Russian Revolutionary Movement, comes from Jewish Capitalist circles."

THE PERPETRATION . . . 1917—1918

A British Government White Paper on Bolshevism issued in April 1919, contained extracts of a Report to Mr. Balfour by Mr. Oudendyke the Representative of the Netherlands Government in St. Petersburg, who was in charge of British interests in Russia after the liquidation of our Embassy by the Bolsheviks. It stated:—

"I consider that the immediate suppression of Bolshevism is the greatest issue now before the world not even excluding the war which is still raging, and unless Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe, and the whole world, *as it is organised and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things.*" (Our italics).

On 12th April, 1919 . . . M. Cohen wrote in "The Communist" at Kharkoff:—

"The Great Russian Revolution was indeed accomplished by the hands of Jews. There are no Jews in the ranks of the Red Army as far as privates are concerned, but in the Committees, and in the Soviet organisations as Commissars, the Jews are gallantly leading the masses: the symbol of Jewry has become the symbol of the Russian proletariat, which can be seen in the fact of the adoption of the five pointed star, which in former times was the symbol of Zionism and Jewry."

On 29th March, 1919, "The Times" stated:—

"Of the 20 or 30 commissaries, who provide the central machinery of the bolshevist movement not less than 75% are Jews . . . among the minor officials their number is "legion".

The Rev. Dr. Fahey in his authenticated work, "The Rulers of Russia" is more specific, stating that of the 24 persons who took over direction in 1917, all but Lenin were Jews.

The Rev. George Simons, Superintendent of the Methodist Episcopal Church in St. Petersburg from 1907 to October 1918, stated before a Committee of the United States Senate on 12th February, 1919:—

"In December, 1918, out of 388 members (of the Revolutionary Government) only 16 happened to be real Russians—all the rest are Jews (with the exception of one U.S. negro) (i.e., 371 Jews): 265 of these Jews come from the Lower East Side of New York."

BOLSHEVIK RUSSIA . . . in 1935

The Central Executive of the Third International ruled Russia. *It consisted of 59 men of which 56 were Jews.* The other 3, including Stalin, were married to Jewesses. Of 17 principal Soviet ambassadors, 14 were Jews. (See "The Rulers of Russia," pages 8 and 9).

THE MOSCOW PURGE was the outcome of quarrels between Jewish factions; and though a number of Jews were liquidated by the winning faction, there was never anything in the nature of a Gentile revolt against the Jewish domination.

The Hoax that the U.S.S.R. was

becoming Anti-Semitic

The fact that some Jews were liquidated by the winning faction in Russia could be used to deceive the world outside the Iron Curtain into thinking that this was the result of an anti-semitic revolt; and as world opinion gradually became hostile to the U.S.S.R., important Jews began to fear that a realisation that Bolshevism is Jewish might have unpleasant reactions for them. About 1945, therefore, influential Jewish circles, notably in U.S.A., organised a powerful campaign to put out a story that Russia was becoming anti-Semitic. They evidently failed, however, to advise their lesser brethren of this move, and indignant and informed denials were soon appearing.

"Bulletin" the organ of the Glasgow Discussion Group wrote in June 1945: "Such rubbish as is now being spread as to the growth of anti-semitism in Russia is nothing but malicious lies and pure invention.

"The Daily Worker" on 1st February, 1949, carried an article entitled "A Land Without Anti-Semites" in which a Mr. R. Parker stated "There

are at least 5 Jews in the Council of Ministers, and their proportion in the Government and most of its offices, and in management of industry and trading, is higher than the proportion of Jews to the total population. I never heard a breath of criticism over this state of affairs."

He further states "Anti-Semitism would render a Soviet official liable to prosecution in the same way that a private citizen may be brought before the courts for Anti-Semitism.

"*The Daily Worker*" on 10th November, 1949, features Mr. D. Kartun in an article headed "Stamping out anti-Semitism" in which he states:—"In Poland and the other People's Democracies, anti-Semitism in word or deed is most heavily punished."

The Soviet's Jewish Fifth Column

IN BRITAIN

"The Daily Worker" is consistently and violently pro-Jewish. Its Foreign Editor, the Jew Derek Kartun portrays Russia as a "Workers' Paradise." On November 10th, 1949, in an article on the "People's Democracies" and the stamping out of anti-semitism there he wrote: "No one could dream of making an anti-semitic speech, or writing an anti-semitic article in any of these countries. If they did their jail sentence would be both immediate and lengthy." In May of the same year articles appeared written by the Jew A. Rothstein and the Jew Sam Aronvitch praising the U.S.S.R. to the skies.

The millionaire Jew, the Hon. Ivor Montagu of top-hat education and son of Samuel Montagu (Baron Swaythling) multi-millionaire London international financier is a regular writer in the columns of "The Daily Worker" and one of the Communist Party's real bosses. The other big boss of the "British Communist Party is an upper-class Indian-Swede of public school and Oxford University education named Rajani Palme Dutt with not a drop of Anglo-Saxon or working class blood in his veins.

THE DOCK STRIKE in the main ports of Britain during 1949 involving over 15,000 Dockers and holding up 129 ships for many weeks was only ended after the King had declared a State of Emergency. The Strike was illegal and was lead by 6 Jews called—Goldblatt, Maletta, Blankensee, Blomberg, Harry Davis and his *brother* Jack Pope (also called Popovitch).

Nine of the hundred Communist candidates in the General Election of February, 1950, and a great proportion of the Election Agents were Jews.

Head of Women's Section of the "British" Communist Party—the "Russian," Jewess Tamara Rust.

ELSEWHERE IN THE ENGLISH SPEAKING WORLD:

The first Communist M.P. in *South Africa* is the Jew Sam Kahn and the Chairman of the S.A. Communist Party is the Jew I. Horwitz.

The Organiser of the *Canadian* Communist Party was the Jew Sam Carr (or Kogan) who was recently gaoled for selling secrets to Russia. With him in this famous Canadian spy trial were numbers of Communists of Jewish origin.

Of the 11 top *United States* Communists recently gaoled for treason, 5 were Jews.

Because of the large Jewish population of New York there is a special *Daily* Communist newspaper published in *Yiddish* called the "New York Morning Freiheit."

The Revolution in Russia was organised and run by Jews—
It is carried on by Jews today—BECAUSE

COMMUNISM IS JEWISH
