## Salutation

"We go to salute the Children of the King"—II Kings 10:13

*Dearly beloved friends:—*

A new year faces us. What it will bring forth, no human tongue can tell. The world fairly bristles with gigantic possibilities. If before the year 1934 shall have gone, the blessed Trump of God, for which we all wait so eagerly, shall have sounded, what joy will it bring to thousands of His faithful and sometimes hard pressed, little ones! Perhaps with peculiar timeliness should we take to heart the loving and wise injunction of Psalm 90:12, "So teach us to number our days, that we may apply our hearts unto wisdom."

## "THE TIME OF THE PROMISE"

A striking and thought provoking statement in Acts 7:17 caused us considerable pause recently as we were reading that touching confession and apologetic of young Stephen, the first Jewish martyr for the Lord Jesus Christ. And the more we pondered over the pregnant words, the more we realized their value to us in the present day and hour, as a guide to the learning of how to "number our days." The verse reads,

"But when the time of the promise drew nigh, which God had sworn to Abraham, the people grew and multiplied in Egypt."  
Acts 7:17.

The Israelites were weak and few in number when they went down to settle and establish a home in Egypt. And they continued few in number, and rather insignificant, until "the time of the promise drew nigh!" Then suddenly, as "the time of the promise drew nigh", Israel began to multiply and grow, until the whole land of Egypt was filled with Abraham's seed. And the most authentic history tells us that the Israelites came out of Egypt some two million strong—perhaps more! Not a bad showing from a start of Jacob's twelve sons some 230 years before!

## THE MODERN PARALLEL

The point is, that this miraculous phenomenon happened only when "the time of the promise drew nigh." And it was followed by persecution, affliction, and a definite program of extermination by means of the Pharaoh's resort to infanticide, so that by the slaughter of the new-born babies it would only be a matter of time when there would be no more Israelites. Such was the devil's plan to thwart God's program for Israel.

And now let us look at the modern world for a moment, and we may be surprised to see a remarkable parallel. Not so many hundred years ago, in the middle ages, before America was discovered, Dr. Adolph Saphir, the sainted Jewish Christian scholar of England, tells us in one of his books, that throughout the whole world there were less than one million Jews. It was in that century that the Jewish race came nearest to total extinction in all of these 1900 years of the Christian Era. But in the year 1800 the total had jumped to three million Jews. Then followed a century of such merciless Jew hate and massacre and burning and drowning that no race could humanly ever have survived, but would have been totally destroyed. But, contrary to human experience, the year 1900, a century later, found in the world some twelve million Jews! They

had quadrupled themselves in 100 years of violent world hatred and bloodshed. And, wonderful as it may seem, this beginning of the year 1934 finds in the world nearly sixteen million Jews! They have increased 33 $\frac{1}{3}$ % in 30 years' time, and again in the face of persecution and surpression. Certainly, no other race or nation, even under the most favorable solidarity and privilege can show such a record. Is there not food for thought here to the child of God seeking to understand and know "the time of the promise?"

#### GOD'S PURPOSE

Now of course God has a purpose in such a carefully worked out development. For there is no haphazard with God. And this purpose with regard to Israel is twofold, as so many of God's prophetic symbols are. First, we may mention the testing of the Gentile nations as such. The frightful punishment of the goat-nations in Matthew 24 is to be on the basis of "What have you done to my scattered people of Israel?" And conversely, the reward to the sheep-nations of the same chapter is to be on the basis of having done a kindness unto the "least of these, my brethren." And so God scatters the Jews under every sun, and among every nation, that in the last day these Jewish victims of world hate shall rise in condemnation against those Gentile nations, who will then be without excuse.

#### DEBAUCHING THE JEWS

Rather shameful are the facts of history as they reveal relentlessly how that these Gentile nations have always debauched and demoralized the Jews who had come as strangers to dwell among them. Under the title of "Brilliant and Brutal Impurity", the Sunday School Times in its issue of December 2, 1933, tells of the vile corruption and unspeakable immoralities which prevailed among the Romans in their heyday of splendor. So much so, that Paul had to turn away in utter and nauseating disgust, and say, "It is a shame even to speak of those things which are done of them in secret." And this is a fair sample of the moral corruption among Gentile nations, into which the Jews found themselves plunged over and over again, throughout these 1900 years of civilization. It is a miracle that there is any purity of moral standards left to the Jewish race, and the miracle becomes intensified when we learn that even today the Jews as a people still hold reputation for maintaining the highest moral and ethical standards of any people on the face of the earth! What a testimony to God's covenant-keeping faithfulness! Here in America, if we take only one example as an illustration, it will help us to understand more clearly. Let us take the American educational system, the Universities, the Colleges, and even down to the High Schools. And what do we find? How well do we personally remember, in our younger days in college, the gross immoralities, the disgusting vileness, from which the Lord in His mercy spared us. And from reports that are everywhere extant, the present day educational institutions are permeated with such teaching of moral looseness that we are brought back once more to the "black paganism of Paul's day."

And in all this, the Jew is only a minority guest. And if the modern day is turning out a generation of young Jews who have wandered far from the moorings of the fathers, will not God hold these Gentile nations to account for such debauchery? They are Gentile professors who teach Godlessness and free love. It is Gentile authors like Bertrand Russel, Havelock Ellis, H. G. Wells, Judge Lindsay, and Bernard Shaw, who are seeking to destroy world faith in God, and establish a "religion" of vile paganism.

#### THE TEST OF THE CHURCH

Then, the second purpose of God with regard to Jewish dispersion is to test the Church. To the Church He gave the divine commission, "To the Jew First." And it shall ever be to her shame and confusion that she has willfully set aside God's solemn command, just as though a Holy God never had even mentioned it, and has proceeded entirely on her own notion, on an uncharted sea of world conquest! The big nations! That's the idea! What care we for a handful of miserable Jews? And so they embarked on a program of "Christ-

ianizing the world" with utter disregard to God's clearly defined plan and order. And what is the result? The heathen have heathenized the Church! And we have the astounding spectacle of a Rockefeller financed Committee of "Appraisal" telling the world that we must fuse the peerless Gospel of the Lord Jesus Christ with the filthy and unspeakably vile "religions" of those about whom Paul said, "It is a shame even to speak of those things." Ephesians 5:12.

#### A PRIMARY RESPONSIBILITY

In a recent issue of The Presbyterian, that remarkable layman, Hugh R. Monro, who, though engaged in a multiplicity of business activities which would tax the energies of most men, still makes it his business to devote an astonishing amount of his time and talent for the cause of the Gospel of the Lord Jesus Christ, writes an article entitled "The Retribution of Neglect" in which he shows how the Church of Christ is being punished of God today because of her sins of omission throughout the centuries. One arresting paragraph is this:—

"The Church has failed to recognize its debt to Israel and the evangelization of the Jew as a primary responsibility: result, the alienation from the Church of God's ancient people, and their calamitous drift into spiritual indifference and infidelity."

This is simply another way of bringing home to the Lord's people the fundamental fact of the Gospel revelation. that the Church must plan its worldwide missionary program on the one doctrinal platform, "To the Jew first." And, to have a layman of the spiritual insight and church standing of Dr. Hugh R. Monro, call the attention of the Church to this failing, is a rebuke that cannot go unheeded. It is also an evidence that the Lord is working today; when the church leaders themselves fail to do God's will, then God begins to speak to the followers.

#### DISAPPOINTING RESULTS

And it may come with surprise to many, as it certainly did to us, when we read not so long ago, the official statistics released in The Literary Digest, as to actual numbers of Christians in Japan and China. In Japan, for instance, after 70 years of the Church's program to "conquer Japan" the total number of Christians, that is, names on books, is 224,000. This, out of a population of 90,000,000, which means  $\frac{1}{4}$  of 1% of the population! In China, the showing is even poorer, for they show 446,000 out of a population of 440,000,000, or about 1/10 of 1% of the present population! And this, after nearly 100 years of intensive work, with millions of dollars spent; spent for Universities to teach American "science" and "higher criticism"; millions spent for hospitals, millions for missionaries, and for stations. And God forbid that we should say a word in detraction of Foreign Missions. The Church certainly has done too little, in this direction, shamefully so. We are only mentioning the facts as to results, so as to afford a basis for comparison with what could be accomplished if we did things God's way.

#### IT REALLY WORKS

And now, turn a moment to Jewish conversions. No blare of trumpets, no beating of drums, no five year programs, no Interchurch World movement—nothing. No organization to build up a machine for Jewish missionary undertakings. No Colleges for Jewish Christians, the nearest we have is the Jewish Missions Course of the Moody Bible Institute of Chicago, and what a hard time even that department has to get its support! No hospitals for Jewish Christians, no endowments, no seminaries! And yet in the face of all that shameful showing, here are just two or three astonishing facts, to show that God's order "To the Jew First!" really works, and that the Lord knew what He was talking about when He commanded us to begin at Jerusalem.

First, take America. It is of course difficult to secure accurate figures here, because the Jews, when they accept the Lord Jesus Christ, become lost in the Churches, and their interests and their means go into the channels of

had quadrupled themselves in 100 years of violent world hatred and bloodshed. And, wonderful as it may seem, this beginning of the year 1934 finds in the world nearly sixteen million Jews! And yet in the face of all that shameful showing, here are just two or three astonishing facts, to show that God's order "To the Jew First!" really works, and that the Lord knew what He was talking about when He commanded us to begin at Jerusalem.

First, take America. It is of course difficult to secure accurate figures here, because the Jews, when they accept the Lord Jesus Christ, become lost in the Churches, and their interests and their means go into the channels of

from non-Jews. I know how Jews give. They gave in this campaign with abandon, they gave with their hearts and not so much with their heads. Head-giving is bad-giving, and heart-giving is good-giving—liberal giving. Jews give with emotion, for we are an emotional people.

"I know that in that \$33,000,000, the Jews of this country played a very big part. And when they sent their money they sent their understanding sympathy. They sent their affection. They sent their love for the people of Germany, and for the children of Germany. There is no permanent hate within the Jew. He had forgotten all about the War. It meant nothing in our life. All we cared to know was there suffering in Germany and were German children undernourished? Were they rickety? Were they tubercular, and facing death?"

"Mr. Hoover, at the end of that campaign, paid a special tribute to Jewish participation in the raising of that \$33,000,000. For with only three per cent of the population, we raised in excess of twenty per cent of the total. It is my opinion, good friends, that many of the Nazi leaders who are persecuting Jews at present owe their lives to Jewish charity, to funds obtained specifically from Jewish people in America and sent over there to feed those children (now grown to heartless manhood) to care for those children to keep them alive."

\* \* \* \*

It is not a crime for Jews to occupy places of responsibility and trust in our own Government, or in the other Governments of the world. It is distressing to read rather thinly veiled attacks on prominent Jews in the Washington Government, as though the presence of a Jew there were in itself evidence of corruption and some sinister scheme. The true patriot will rejoice and thank God that there are Jews of high attainment who are willing to devote their time and their talent to the affairs of Government. It was a Jew, Joseph, who proved to be the salvation of the great country Egypt in her darkest days of famine and starvation. During

the World War, Jews occupied positions of the highest trust among practically every one of the nations; yet the surprising fact is that never did a Jew of one country betray the secrets of that country to some Jew of another land. In other words every nation found that it could trust its own Jews to the limit. England thinks enough of her Jews to have 32 of them in Parliament at the present time. This is all the more significant when it is remembered that there are only 250,000 Jews in all of Great Britain, out of a total population of nearly 50,000,000 peoples. The Jews who occupy places at the present time in the Washington Government, so far as we can learn, have not of their own volition sought those places. As we understand the matter, Mr. Roosevelt sought out the best men available for the positions vacant, and in approaching the two or three Jews who are at the present time helping the administration, the appeal was made to them on the basis of patriotic duty, to serve the country in the hour of need. In the face of such a situation, it is rather a reprehensible thing that we see being done in certain quarters, the Jews sneered at and accused of ulterior motives because they hold public office. This is not the spirit of Christ.

At best, the progress of the Jew, even in liberal America, is beset on every side by prejudice. The Jewish girl or boy, even in the high schools, is refused admission to social clubs or fraternities; in Colleges, drastic discrimination is practised against the Jewish student. In commercial life, in the activities of the social world, again is unkindness to the Jew prevalent. If, in spite of all these seemingly insurmountable handicaps, the Jew has reached places of responsibility and trust in high offices of our nation, let us have the sportmanship to honor and to respect him, and at least to consider him innocent of evil intent until he has been proven guilty.

### General Information

The American Board of Missions to the Jews is a missionary society incorporated under the laws of the State of New York, to promulgate the Gospel of the Lord Jesus Christ among the Jews of America. It had its inception in 1894 when Leopold Cohn, then recently converted from Rabbinical Judaism, in obedience to the call of God, and in full dependence upon Him for support, established the beginnings of what has gradually developed, under God's leading and blessing, into the present work. Although the activities have steadily increased until now our needs are over \$60,000 annually, the Lord has never failed us. The Board has no guaranteed support from any human source; nor does it resort to worldly methods for raising funds. It exists as a testimony to the supernatural intervening power of the God of Israel Who has moved upon the hearts of His children to give.

As the object of the American Board of Missions to the Jews is to reach the entire field of American Jewry, it is our desire and purpose to establish Mission stations in such important Jewish centers as may be in greatest need of a Gospel testimony, consistent with the Lord's will, as evidenced through His provision of workers and funds. This work of national evangelization of the Jews is further being accomplished by our Field Secretaries, who come into personal contact with Jews in their travels; also by means of letters, tracts and Gospels mailed to selected lists of Jewish names in practically every city and many towns of the United States; and finally by our Yiddish-English monthly paper, *The Shepherd of Israel* which has a large circulation among the Jews in all parts of the world.

The plan of work for all stations calls for the maintenance of Gospel meetings for adults and children; a medical department to assist poor Jews; a Poor Fund, to enable us to relieve the distress of deserving Jews and to give a practical demonstration of Christian love; a Literature Fund for the purchase of Hebrew Bibles and Testaments and to print tracts in Jewish. Mr. Cohn has written eight Jewish tracts which God has used to the conversion of many.

We covet your prayers and your sympathy, and we invite fellow believers to cast in their lot with us, taking fellowship in the great task He has committed to us.

# We Now Have The Antidote

The nation-wide attack on the Jews came suddenly. We were unprepared. But now we have a supply of effective and illuminating literature on the subject.

So, if you are troubled by slanders against the Jews, propaganda masquerading under the guise of the "study of prophecy," don't be alarmed. Our friend and brother, Mr. Keith L. Brooks, has just written an article in his excellent monthly magazine PROPHECY, entitled "The Protocol Bugaboo," which tears away the mask of insincerity, and shows the falsehoods, the deliberate misinterpretation of innocent acts so as to give them a sinister aspect, all of these things that are behind the current nation-wide campaign of hate against the Jews. To this campaign, some have joined themselves who claim to be "Evangelists," "Bible Teachers," and "Fundamentalist Leaders."

Others, too, have just recently written exposés of the Satanic motive behind these campaigns, and we now have a full sheaf of literature on the subject. Send for our "Protocol Exposure Portfolio" and you will receive the following literature:—

1. *"The Protocol Bugaboo," an article in PROPHECY by Keith L. Brooks, Editor*
2. *"The Jewish Peril and the Hidden Hand" by Rev. Elias Newman*
3. *An Open letter to a Slanderer of the Jews*
4. *"Protocols of the Wise Men of Zion" by S. Livingston*

All for 50 cents. Stamps will do; or Post Office Money Order. Get the set, and pass them around.
