FOREWORD—Dr. T. C. Horton	7
CHAPTER I—First Address	9
Why was the Jew and not the Arab dispersed among the nations? What of the Zionist advance in Palestine, Mussolini's drastic measures, and the Bolshevistic propaganda in Asia? Are the diabolical programs of the "Youth Movement" and the "Junior Atheist League" a serious menace to the bodies and souls of our children? How would a Catholic king prove a peril to Great Britain? Does Roman Catholicism furnish the true explanation for the failure of Protestantism?	
CHAPTER II—Second Address	31
Does the fulfillment of prophecy prove the infallibility of the Bible? Are the advent of the automobile and the recent capture of Jerusalem foretold in God's Word? Is the Pope of Rome the Antichrist? Does the blasphemous utterance of the Students' Christian Movement brand our Universities as atheistic? What of Clarence Darrow's heartless statement?	
CHAPTER III—Third Address	50
Is judgment near? Has the world become morally "rotten"? Is adultery merely "a personal sin"? Why the filth in our maga-

zines and newspapers? Have women become immodest in their apparel? Are we on the eve of a deluge of blood? How will the nations be lined up for the next conflict? Is war an imminent possibility?	
CHAPTER IV—Fourth Address	70
How are we to interpret Christ's story of the end-time as set forth in Matthew twenty-four? Are the signs mentioned soon to appear? What is meant by "the abomination of desolation?" How will it be possible to flee from the wrath of the Antichrist during the Great Tribulation? Will Christ be recognized when He comes? Can we know the time, and will He be expected?	
CHAPTER V—Fifth Address	89
What of Voltaire's proud boast? Are our children becoming atheists? Can the blasphemous utterances of atheism be substantiated? Why do atheists confuse religion with salvation? Does the sin of one Christian prove that all are alike? Does atheism lead to immorality? Is Higher Criticism responsible for atheism? Has it ever been proven that there is no God? Can it be demonstrated that the Bible is God's Word? Are atheists honest doubters? How may they be enlightened? Do atheists die happy?

CHAPTER VI—Sixth Address	130
Is there a personal devil? Has Satan always been a devil? Is he in reality the hoofed and horned creature of our imagination? How did he become the devil? Where is he now? How will he resurrect the man of sin? Will Judas be the Antichrist? What will be his characteristics? How will he be destroyed?	

years Christ has reigned. God's cause is now triumphant, sin and wickedness dethroned forevermore. The earth, like a scroll, has been rolled up and destroyed. Everything is new again.

"And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God. And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. And he that sat upon the throne said, Behold, I make all things new" (Rev. 21:1, 3-5).

Ah, beloved! what a glad day that will be! What rapturous joys shall be ours! Think of it—two thousand, five thousand, ten thousand years hence, and to last eternally! Do you not long for it? But are you going to miss it, miss it for the sake of a few short years lived for self? Surely not! Oh, then, hasten, if you know Him not, and even as you read, say "Yes." For remember, it must be Christ or Satan, and that throughout Eternity. Therefore I bid you, choose Christ, and choose Him now.

IV. *Prophecy (continued)*

WONDERS OF PROPHECY (Volume II)

By John Urquhart

Vol. II includes a prophetic forecast of the world's entire history; prophetic statements uttered hundreds of years before the birth of Jesus Christ, about his person and work; and national movements in the history of the Jews fulfilled to the letter with startling exactness. Such tests of the integrity of the Bible have never been nor can ever be refuted. Present conditions clearly show that these prophetic utterances are the result of foreknowledge, and prove the existence of God and His overruling providence.
