Dear Flo,

I am very disappointed not to hear from you as you promised me to ~~help~~ help.

I am very sorry to reclame the Doll. 50 which my uncle sent to you last year. I am now staying here in London whithout any money and I am in need of it very urgently.

I hope you will understand because all the refugees who came out of Germany are not allowed to take out any money out of this country and I do hope you will understand my position.

Please take a notice as I am in urgently need of it.

As a relation of you I plead to you to arrange this matter immediately.

Many kind regards,

yours
