Dear Mother & Dad,

I received your very welcome letters of Jan. 29th and Feb 7th both today. I'm sorry that you went so long without a letter, but by now you should have several and know why there was such a gap. I believe that you have been writing a lot more regularly lately and I certainly enjoy your letters and appreciate your efforts. I know that you do not have any too much spare time. Write just as often as you can and I will answer every letter that I get so long as it is possible for me to do so.

So Golden won an air medal! Well, all I can say is that he is earning anything that he gets, and more power to him.

I wish that I could see Laura and hear her talk, but "Grampa" will have to show her the "Shiby" for me. It is sort of strange that Laura should like chickens so well, but I guess that they are quite a mystery to her.

This strange country over here fascinates me almost as much as the chickens do Laura, but I would gladly leave it tomorrow and have no regrets. I don't like this climate one bit. Why, they have less sunshine here in a year than we have at home in one summer month!

So much for tonight. I must call it a day and go to bed. Goodnight and sweet dreams. Lots of love.

Your loving son, Clifton
