Dear Sister & Brother,

I got your letters today and they were surely welcomed. Joe, your letter was as good a letter as I ever got & you don't know how much I appreciate hearing from my brother. I was pleasantly surprised to get a letter from you & you certainly do not need to apologize for your lingo. Its ok.

My its hotter than the inside of an oven here even now & its almost bedtime. I won't have time to write much, but wanted you both to know that I enjoy your letters. Please write often. I'll write to you on Sunday whenever I can't write during the week.

I am a "schoolboy" again. I am going to Clerical School — began yesterday. Mother & Shirley can tell you all about it. I don't have time & there is little use to write the same thing to all of you.

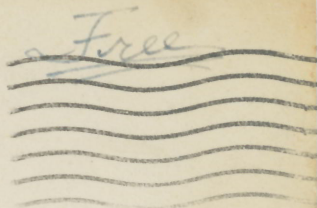

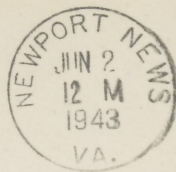

I am getting you a picture with the money that Mother & Shirley sent. You should have it in about a month. It takes about 3 weeks for me to get the pictures & they cost plenty.

Well, my letter writing time is up. Goodnight, & lots of love, Kids. Write soon & regularly. I'll write again Sun. if I am off duty.

Your brother,

Clifton
