POST CARD

Dear Sis & Bro,

I had my first pass this weekend & went out to Newport News Sat. night & Sun. I saw the town, two shows, the docks, sailors, soldiers, & marines. Also saw a few civilians.

It kinda made me lonely & made <sup>me</sup> long more than ever for the life I love & those I love to see men with their families, boys with their girls & to see homes, cars stores, etc. I am more determined than ever to help get this over. love, Clifton
