Dear Mrs. Hofmayer:-

With reference to Mr. Loeb's recent letter regarding free membership in the Temple to refugees, I am enclosing herewith application cards to be used in this connection.

Upon your recommendation, these individuals will be admitted into the Congregation and will be given the same privileges extended to paying members.

Will you please see that each card is properly filled out and returned to the Temple Office at your convenience. Additional cards are available should you need them.

Sincerely yours,

dr
